Clean design, essential but with impact, **V297** is an example of a new luxury characterized by simple shapes and unique details. The soft seats rest on an elegant gold-colored base, creating a lovely contrast of materials. The whole is enriched by an armrest / side table characteristic of the new collections **ASTON MARTIN Home** in which the internal curves lacquered in gold are wrapped by the precious leather art. Cuoio on the outside in a fascinating play of materials.

The purity and essentiality of forms is reflected in the **V227** coffee table, a unique and ambitious table with a minimal character that makes contrasts its main feature. A “heavy” marble or burlwood base contrasts with the “lightness” of a glass frame that, where not present, leaves room for storage compartments.

V210 is a sofa with a minimal and elegant character in which a metal frame wraps the fabric seats in a game of contrasts where the leather details and the particular modularity are its main features.

V210 is available with two different seat widths, three different types of armrests, an elegant Cuoio leather magazine rack or a Canaletto Walnut coffee table, and it is also possible to apply a special Cuoio pocket in the armrest.
