THE ITALIAN TOUCH

CEPPI – THE ITALIAN TOUCH, COLLEZIONE EVERGREEN
Nuovo marchio e nuovo linguaggio stilistico per Ceppi, che con il suo CEPPI – THE ITALIAN TOUCH si fa strada nel mondo del lusso moderno e contemporaneo ed introduce la nuova linea EVERGREEN, un magico incontro tra l'accattivante bellezza del design e l'alta artigianalità Italiana, che caratterizza Ceppi da oltre 40 anni sul mercato dell'arredamento di interni. Filo conduttore della nuova collezione EVERGREEN è senza dubbio l'ispirazione alla natura, che ritroviamo nell'attenta scelta dei materiali e nelle nuances che richiamano i colori della terra. Matericità è la parola d'ordine: tutta la collezione è concepita con un'attenzione alle forme ma anche alle superfici, tridimensionali e particolarmente piacevoli al tatto. L'elegante legno di Noce Canaletto si sposa con una originalissima texture dai colori argentei che dona unicità e luminosità ai prodotti di questa collezione, creando un ambiente accogliente e dalla forte personalità. Marmi ricercati quali Dover White e Sahara Noir, sapientemente accostati a basi in nickel nero lucido, o ancora a piani in legno e cuoietto, impreziosiscono tavolini, madie e consolle con stile e raffinatezza, rendendo ogni singolo articolo un pezzo di design senza tempo. Punto di forza della collezione sono gli imbottiti, caratterizzati da forme pulite ed eleganti, che trovano la loro unicità nell'utilizzo di tessuti di alta qualità, pelle nabuk o aniline, impreziosite da trapuntature e seducenti dettagli in cuoio. CEPPI – THE ITALIAN TOUCH vuole essere un nuovo punto di partenza verso uno stile pulito e ricercato per arredare nuovi spazi contemporanei, in sintonia con uno stile di vita moderno attento alla qualità e all'autenticità.

CEPPI – THE ITALIAN TOUCH, EVERGREEN COLLECTION
New brand and new stylistic language for Ceppi, which with its CEPPI - THE ITALIAN TOUCH makes its way into the world of modern and contemporary luxury and introduces the new EVERGREEN line, a magical encounter between the captivating beauty of design and the high Italian craftsmanship, which has characterized Ceppi for over 40 years on the interior design market. The guiding thread of the new collection EVERGREEN is undoubtedly the inspiration to nature, which we find in the careful choice of materials and in the nuances that recall the colors of the earth. Texturality is the watchword: the entire collection is conceived with attention to shapes but also to surfaces, three-dimensional and particularly pleasant to the touch. The elegant Canaletto Walnut wood is combined with a very original texture in silvery colors that gives uniqueness and brightness to the products of this collection, creating a welcoming environment with a strong personality. Refined marbles such as Dover White and Sahara Noir, skilfully combined with polished black nickel bases, or with wooden and leather tops, embellish coffee tables, sideboards and consoles with style and refinement, making each item a timeless design piece. The strong point of the collection are the upholstered items, which are characterized by clean and elegant shapes, and find their uniqueness in the use of high quality fabrics, nubuck leather or aniline, embellished with quilting and seductive leather details. CEPPI - THE ITALIAN TOUCH wants to be a new starting point towards a clean and refined style to furnish new contemporary spaces, in tune with a modern lifestyle attentive to quality and authenticity.

Penthouse Isola District

Ambiente minimal e di carattere, è così che si presenta la Penthouse di Isola District, dove il design accattivante degli arredi si sposa alla perfezione con l'elegante struttura metropolitana. Armonie policrome ci accompagnano per tutta la zona giorno, partendo dalle calde nuances dell'ingresso, dove troviamo preziose consolle in Noce Canaletto abbinato ad un elegantissimo cuoietto tortora, passando a colori più freddi della zona living e dining, dove il nabuk ed il tessuto grigio sugli imbottiti vengono sapientemente abbinati al colore argenteo della texture che fa da filo conduttore per tavoli, madie, mobili bar e tv. Un tocco di colore viene dato dalla preziosa pelle verde che riveste le iconiche poltrone della collezione EVERGREEN, completando così con eleganza l'area living. Al piano superiore troviamo un'ampia zona home office, composta da libreria e scrivania in Noce Canaletto abbinata a poltroncine dal carattere urbano con gambe e profili in acciaio lucido. Completano la zona relax prima di accedere alla camera da letto, confortevoli divani e poltrone con rifiniture in cuoio e raffinati tavolini con piano in marmo Dover White. La zona notte presenta un carattere deciso con le sue nuances del grigio, che vengono però smorzate grazie alla calda pelle trapuntata che ricorre sulla struttura del letto e gli schienali delle sfiziose poltroncine con gambe in metallo. Comò e comodini riprendono il leitmotiv di tutta la penthouse, riproponendo il caldo Noce Canaletto abbinato all'elegantissima ed accattivante texture dai toni argentei. Un mix perfetto tra eleganza e carattere metropolitano, per questo appartamento da vivere ogni giorno.

Minimal and with character, this is how the Penthouse of Isola District presents itself, where the attractive design of the furniture blends perfectly with the elegant metropolitan structure. Polychrome harmonies accompany us throughout the living area, starting from the warm nuances of the entrance, where we find precious console tables in Canaletto Walnut combined with a very elegant dove-colored leather, passing to cooler colors of the living and dining area, where the nubuck and gray fabric on the upholstered furniture, are cleverly combined with the silver color of the texture that is the common thread for tables, sideboards and furniture bar and TV. A touch of color is given by the precious green leather that covers the iconic armchairs of the EVERGREEN collection, thus elegantly completing the living area. On the upper floor we find a large home office area, composed of bookcase and desk in Canaletto Walnut combined with urban character armchairs with legs and profiles in polished steel. The relax area before entering the bedroom is completed by comfortable sofas and armchairs with leather finishing and refined coffee tables with Dover White marble top. The night area has a strong character with its nuances of gray, which are however softened by the warm quilted leather that is used on the bed frame and the backs of the fancy armchairs with metal legs. Dressers and bedside tables reflect the leitmotif of the entire penthouse, proposing the warm Canaletto Walnut combined with the elegant and captivating texture of silver tones. A perfect mix of elegance and metropolitan character, for this apartment to live every day.

Villa dei Fiori Como Lake

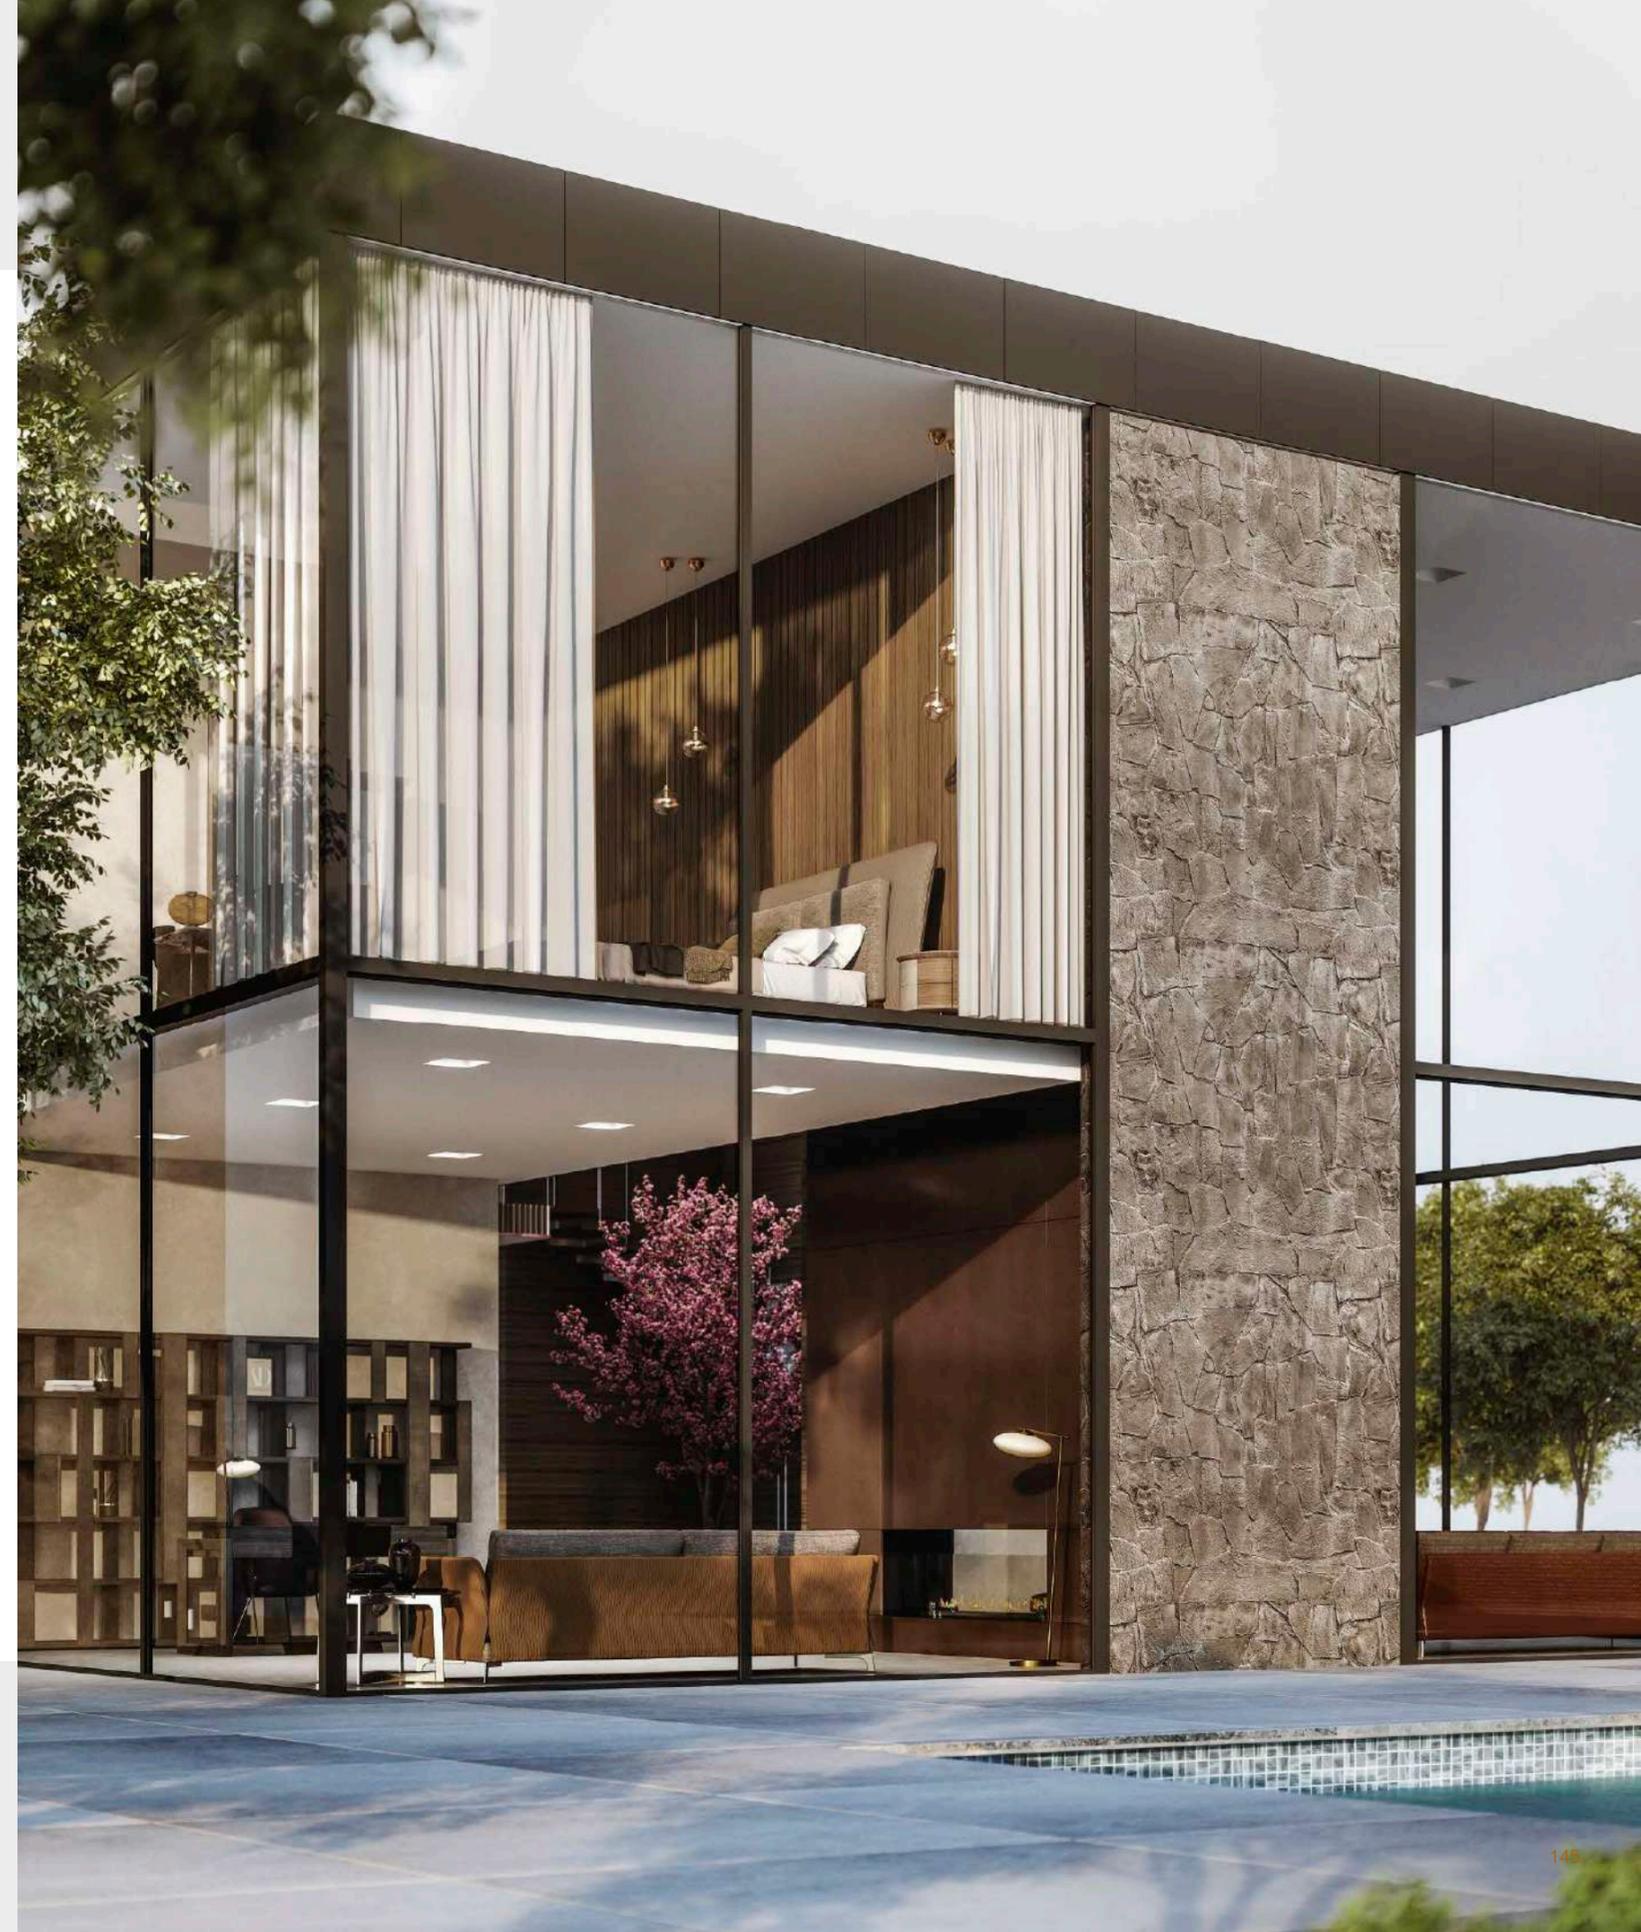

Il nome di per sé rievoca eleganti e raffinati spazi, dove il verde e la natura fanno da padrone, ed è proprio con uno splendido albero di ciliegio che la Villa dei Fiori sul Lago di Como ci accoglie nel suo ampio e luminoso ingresso. Il caldo colore del legno di Noce Canaletto ci accompagna per tutta la villa, e si mescola con gli altrettanto caldi colori dei rivestimenti proposti nelle due ampie zone living e dining.

Luminose vetrate fanno sì che lo splendido scenario del lago e la rigogliosa natura che circonda la casa, entrino nell'ala principale della villa, dove confortevoli poltrone e divani dai colori naturali, fanno da ingresso all'elegante zona pranzo rialzata, che prevede un raffinatissimo tavolo con piano in marmo Stardust ed eleganti sedie in pelle color cuoio. Spostandoci nella seconda zona giorno, che affaccia sulla piscina, troviamo un ambiente caldo e raccolto che rievoca i colori della terra quale il bruciato, il bronzo ed il color cuoio che riprende la sala da pranzo. L'iconico divano modulare della collezione EVERGREEN rivestito in preziosa pelle trapuntata, crea una zona relax unica e confortevole dove potersi rilassare e godere del panorama esterno davanti ad un caldo camino che divide la zona living dall'home office.

Quest'ultimo caratterizzato da una finitura marcata ed accattivante, abbina un legno scuro alla ricorrente texture argentea della libreria, la quale dona luminosità ed eleganza alla parete. Un secondo salotto che combina i caldi colori della pelle e del tessuto color ruggine alla finitura scura del legno, completa l'area giorno. Al piano superiore l'elegantissima camera padronale, che con il suo abbinamento cromatico rimanda ai colori della natura, rievoca un ambiente raffinato e dal tocco femminile, come confermano le splendide poltroncine in stoffa verde che si affacciano sul lago, nonché la splendida toilette da trucco nascosta dietro a listelli di caldo legno che dividono la camera in due ampi spazi e la completano. Villa dei Fiori è insomma un ambiente accogliente, luminoso, elegante, che dona un senso di tranquillità e pace grazie ai suoi colori caldi che richiamano la terra e la natura circostante.

The name itself evokes elegant and refined spaces, where the green and nature are the masters, and it is precisely with a beautiful cherry tree that the Villa dei Fiori on Lake Como welcomes us in its large and bright entrance. The warm color of Canaletto Walnut wood accompanies us throughout the villa, and mixes with the equally warm colors of the coatings proposed in the two large living and dining areas.

Bright windows allow the beautiful scenery of the lake and the lush nature that surrounds the house, enter the main wing of the villa, where comfortable armchairs and sofas in natural colors, are the entrance to the elegant raised dining area, which provides a refined table with marble Stardust top and elegant leather chairs. Moving into the second living area, which overlooks the pool, we find a warm and cozy environment that evokes the colors of the earth such as burnt, bronze and leather color that takes up the dining room. The iconic modular sofa of the collection EVERGREEN covered in precious quilted leather, creates a unique and comfortable relaxation area where you can relax and enjoy the view outside in front of a warm fireplace that divides the living area from the home office. This last one is characterized by a marked and attractive finish, combining a dark wood with the recurring silver texture of the bookcase, which gives brightness and elegance to the wall. A second living room that combines the warm colors of leather and rust-colored fabric to the dark wood finish, completes the living area. On the upper floor, the elegant master bedroom, whose chromatic combination recalls the colors of nature, evokes a refined environment with a feminine touch, as confirmed by the beautiful green fabric armchairs overlooking the lake, as well as the beautiful makeup table hidden behind warm wood slats that divide the room into two large spaces and complete it. Villa dei Fiori is, in short, a cozy, bright, elegant environment that gives a sense of tranquility and peace thanks to its warm colors that recall the earth and the surrounding nature.
