A photograph of a modern outdoor lighting fixture mounted on a dark, textured wall. The fixture is a vertical, rectangular unit with a black frame and two glowing white light sources. It is shown during a rainstorm, with raindrops visible as white streaks across the entire scene. In the background, a white wall, a tree with green leaves, and a metal chair are visible, all slightly out of focus. A semi-transparent text box is overlaid on the left side of the image.

Rain proof is standard
outdoor design

Die-cast aluminum

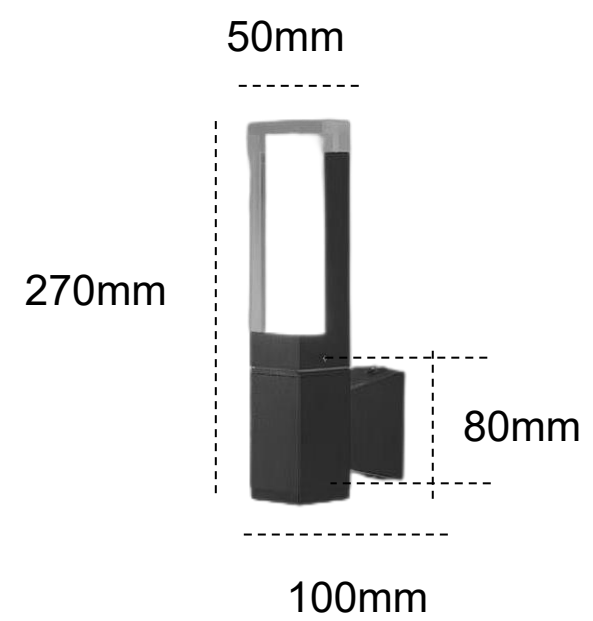

Surface spray paint treatment anticorrosion
achievement of light art beauty

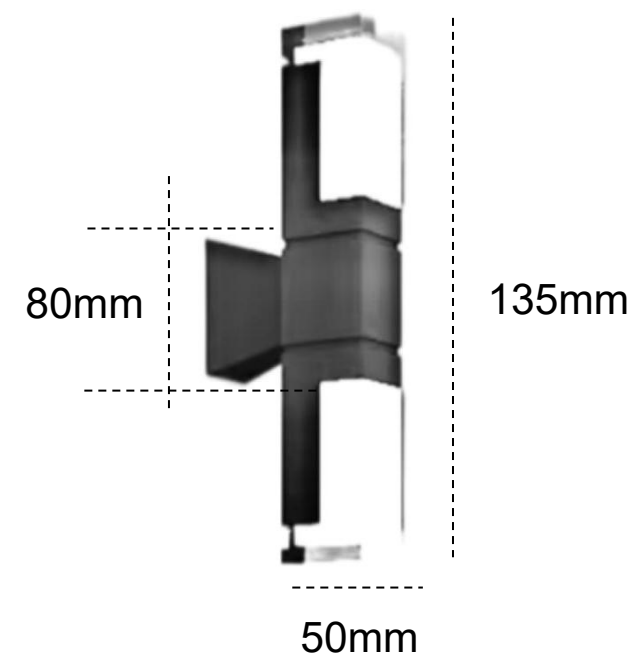

Milk white acrylic lamp shade

Perfect integration of outdoor light to
create a warm home
